

2016 Development Report

Foundation Board President's Message

Dear Friends,

Each year, you generously give to the Opportunities Unlimited of Niagara Foundation through various appeals and fundraising events.

On behalf of the Opportunities Unlimited Foundation, thank you for your loyalty and generosity. Money raised through these activities help ensure that Opportunities Unlimited of Niagara will continue to thrive in its mission started by parents—to maximizing the quality of life for people of all ages with intellectual and other developmental disabilities and providing the resources for them to reach their greatest potential, achieve their goals, learn to live independent lives and become active participants in their communities. It is my sincere hope that you will continue to support the Agency during the years ahead.

Dawn MacDonald

Every effort has been made to ensure that this listing reflects gifts made to the Opportunities Unlimited of Niagara Foundation between January 1, 2016 and December 31, 2016.
